

G125 Group,

Our involvement with the Gilbert 5 yr. High School reunion has been to provide a pancake breakfast on Saturday morning, which we are prepared to do again for the reunion and 125 yr. celebration next year. But, we are interested in the possibility of starting an annual corn feed in preparation for the 50 yr. anniversary of the founding of the Gilbert Lions in 2005. As we have discussed these possibilities, we have decided that we cannot do both a breakfast and a lunch (burgers and/or corn), but have not decided which we should do for the celebration next year. We will definitely do one of those. If another group would want to do the breakfast, we will most gladly do the lunch on main street or at the fire house. This is all that I have to report at the present. Thank you very much for considering the Lions Club involvement in next years celebration.

Al Cox
Gilbert Lions Club President (2003-2004)
